FRAGEBOGENAKTION MSCHFT. 1993/94

Die Mitgliedsvereine werden nochmals ersucht, zu der im letzten Rundschreiben veröffentlichten FRAGEBOGENAKTION bezüglich einer Änderung des Austragungsmodus der Meisterschaft in den Gruppen NORD, OST, MITTE und WEST bis 26.3.1993 eine schriftliche Stellungnahme an den Verband zu senden. **WICHTIG**

Zum besseren Verständnis wird nochmals erklärt, daß nach vollzogenem Auf- u. Abstieg am Ende des Spieljahres 1992/93 in den einzelnen Gruppen kleine Klassen gebildet werden sollen, welche den Grunddurchgang mit Hin- u. Rückspiel absolvieren. Nach dem Grunddurchgang werden z.B. die drei letztplazierten Mannschaften der oberen Klasse und die drei erstplazierten Mannschaften der unteren Klasse wieder eine eigene Klasse (Frühjahrsdurchgang) bilden.

Diese Neuregelung ist von den 1. bis 4. Klassen vorgesehen !!!!

MANNSCHAFTSZURÜCKZIEHUNG

Die SG ST. VEIT/HAINFELD hat ihre 6. Mannschaft (SGVH 6) aus dem Meisterschaftsbetrieb der 4. Klasse MITTE B zurückgezogen. Spiele gegen diese Mannschaft sind ab sofort als Freilos zu betrachten.

Der NÖRTLIV übernimmt die traurige Pflicht vom Ableben des bekannten Spielers Hubert KERNSOCK (UNION HORN) Mittelung zu machen.
Hubert Kernstock verstarb am 18.2.1993 nach langem, schweren Leiden im 53. Lebensjahr. Er wird allen, die ihn gekannt haben und sportlich mit ihm verbunden waren, unvergessen bleiben.

„ERLEBNISMESSE“

26.-28.3.1993 in WIESELBURG

Urlaub, Sport, Fitness u. Gesundheit !!!

Komm' und überzeug' Dich -
der NÖTTLV ist auch dabei !

Damenwartin Hannelore Wegscheider präsentiert ihre Vorstellungen:

Die Basisarbeit muß einfach stimmen

Bei der Generalversammlung des NÖ Tischtennis-Landesverbandes am 8. Dezember in Stockerau übernahm Hannelore Wegscheider aus Matzen die Funktion des Damenwartes.

Völlig unbekümmert, ohne Vorurteile, stürzte sich die Mutter von zwei Töchtern und seit fast 20 Jahren verheiratet, in ihre neue, äußerst schwierige Aufgabe. Die Gemeindegaststätte ist seit 1978 mit dem Tischtennis sport eng verbunden. Zuerst aktiv bei Bezirks- und Damenmeisterschaften, später auch bei Herrenbewerben.

Mit ihrem Mann widmete sie sich immer mehr der Nachwuchsarbeit bei der Union Matzen. Gemeinsam mit einigen Matzner Spielern, durch großen, persönlichen Einsatz und dank der guten Zusammenarbeit mit Eltern, konnten der Klub gerade bei den Mädchen bundesweit ausgezeichnete Erfolge erzielen.

In ihrer neuen Verbandsfunktion will die Damenwartin mit ähnlichem Engagement agieren und dem Damen-Tischtennis sport neue Impulse verleihen.

Daher sucht Hannelore Wegscheider in letzter Zeit vermehrt Gespräche mit erfahrenen Funktionären.

"Unsere erste Aufgabe wird es sein, möglichst viele Damen dazu zu bringen, Meisterschaften zu spielen oder an kleineren Turnieren teilzunehmen", steckt sich Hannelore Wegscheider bereits ein Ziel. Dazu sind viele persönliche Kontakte notwendig. Neue Ideen sollen aufgegriffen und Kritik entgegengenommen werden. "Nur wenn wir wissen, was den Spielerinnen gefällt, können wir etwas ändern oder vielleicht verbessern".

Die aktive Damenwartin hat natürlich schon Vorstellungen, wie die vielen Ideen auch praktisch umgesetzt werden können:

0 Regionalisierung der Bewerbe, damit die Wegstrecken möglichst kurz gehalten werden,

0 für Einsteiger keinen Spielerpaß, möglichst flexible Modalitäten,

0 den Zeitpunkt der Meisterschaften mit den Spielerinnen absprechen,

0 mehr Spielgemeinschaften mit anderen Vereinen eingehen.

Hannelore Wegscheider ist sich sicher: "Eine breitere Basis, mag sie vom spielerischen Niveau her noch so schwach sein, ist unbedingt notwendig. Daher sollen die angesprochenen regionalen Meisterschaften das Bindeglied und gleichzeitig das Sprungbrett zum echten Leistungssport werden.

Vorläufig ist für das nächste Jahr geplant: Eine Damen-Landesliga, eine 1. Klasse (eventuell in zwei Gruppen) und 2. Klasse (oder Regionalklasse), die die Basis für den Einstieg bilden soll.

24.1.1993 A.O. ÖTTV - GENERALVERSAMMLUNG

Tischtennis-Reform: Staatsliga auch ohne Jugendspieler

Ob dies der Nachwuchsförderung im heimischen Tischtennis dienlich sein kann, darf dahingestellt werden: Durch die Teilnahme der drei besten österreichischen TT-Vereine an der Interliga mit Ungarn,

Bei der außerordentlichen Generalversammlung des ÖTTV am Sonntag in Wien gab es auch stundenlange, zum Teil recht heftige Diskussionen über das Budget, das

Tschechien und Slowakei wurden die Staatsliga-Durchführungsbestimmungen geändert, wonach der zwingende Einsatz eines Nachwuchsspielers ab der Saison 1993/94 nicht mehr erforderlich ist.

letztendlich ohne zusätzliche Belastungen für Vereine und Spieler unter Dach und Fach gebracht wurde. In der Trainersituation, in der vor allem Niederösterreich einen harten

Kurs vertritt, konnte hingegen noch keine befriedigende Lösung gefunden werden. Der langjährige Verbandskapitän und Sportdirektor des ÖTTV, Hans Boleña, kündigte

für Juni seinen Rücktritt an.

„Fall“ Ding Yi wird erst behandelt

Die Kontroverse, die - wie berichtet - der Austro-Chinese Ding Yi im Staatsliga-Treffen seines Vereins Wolkersdorf/Langenlois gegen DSG Union Waldegg in Linz mit Referee Erich Traxler hatte, wird in den nächsten Tagen vom Staatsliga-Ausschuß behandelt.

Volksblatt, 27.1. 1993

Ding Yi verlor gegen Waldegg die Nerven

Im Schlagerspiel der zweiten Runde des Tischtennis-Meister-Play-offs, DSG Union Waldegg Linz gegen SPG Wolkersdorf/Langenlois, gestern vor 100 Zuschauern in der Urfahrer Jahnschule, sorgte der Austro-Chinese Ding Yi für einen Eklat. Er war im entscheidenden Match gegen Waldegg-Legionär Stefan Kovac im zweiten Satz mit einer Entscheidung des Linzer ETTU-Schiedsrichters Erich Traxler nicht einverstanden, protestierte und schimpfte gegen den Spielleiter (der reglementgemäß zunächst Kovac einen weiteren Punkt zum 3:2 und dann auch den Satzgewinn zugestand) und verließ schließlich die Spielbox, was dem Reglement entsprechend den Spielabbruch bedeutete. Traxler wird gegen Yi und den in die Spielbox hingesprungenen Wolkersdorf-Obmann Dr. Friedrichschröder beim

ÖTTV Disziplinaranzeige erstatten. Die Niederösterreicher spielten unter Protest (sie wollen eine Spielneuaustragung) weiter, konnten aber nicht gewinnen. Das 6:4, für das vor allem Thomas Wimmer mit dem überraschenden Einzelsieg gegen Ex-Staatsmeister Erich Amplatz und im Doppel mit Gottfried Bär (gegen Amplatz/Frank) mitverantwortlich zeichnete, wird wohl – so Traxler – vom Staatsliga-Ausschuß bestätigt werden. Ein Rückschlag für die Titelambitionen der Ding Yi-Truppe. DSG Waldegg hatte übrigens einen Start nach Maß in die Meister-Gruppe, in der sie sich ja den dritten Platz und damit die Qualifikation für die neue „Superliga“ (mit Klubs aus Tschechien, Slowakei und Ungarn) zum Ziel gesetzt hat. Am Samstag wurde Union Stockerau ebenfalls mit 6:4 bezwungen.

Schiri irrt: Yi nochmals in Linz

Die Play-off-Begegnung der TT-A-Liga zwischen DSG Waldegg Linz und Wolkersdorf-Langenlois vom 24. Jänner, die mit 6:4 für die Linzer geendet hatte, muß laut erster Instanz wegen eines Schiedsrichterirrtums zum Teil wiederholt werden (Fortsetzung beim Stand vom 3:3). Die Linzer werden wohl in die Berufung gehen. – Schiri Erich Traxler hatte die Partie zwischen Ding Yi und dem slowenischen Waldegg-Legionär Stefan Kovac bei einer 1:0-Satzführung für den Austro-Chinesen mit 2:1 für Kovac gewertet, nachdem Ding Yi die Spielbox nach einem umstrittenen Ball verlassen hatte. Laut Bestimmungen hätte nun der Referee im äußersten Fall Kovac den zweiten Satz wegen Spielverzögerung zusprechen dürfen. Das Verlassen der Box ist kein Disqualifikationsgrund mehr, wenn der Spieler in der Nähe bleibt.

TT-Skandal durch Schiedsrichter-Irrtum
Abgebrochenes Match wird nun fortgesetzt

Der Schiedsrichter, dessen Regelkenntnisse nicht auf dem neuesten Stand waren, war Urheber des Skandals um Ding Yi beim Tischtennis-Meisterschaftsspiel Waldegg - Walkersdorf/Langenlois. Zu diesem Schluß kam jedenfalls der erweiterte Staatsliga-Ausschuß nach Studium einer nahezu kompletten Video-Aufzeichnung des Vorfalles. Der größte Fehler des Unparteiischen: Nachdem er den Austro-Chinesen wegen heftiger Reklamationen über einen umstrittenen Punkt (zurecht) mit Strafpunkt und Strafsatz belegt hatte, erklärte er Kovacs (fälschlich) gleich zum Sieger. Das (salomonische) Urteil: „Wegen Schiedsrichter-Irrtums wird das Match mit dem Stand zum Zeitpunkt des Abbruchs (3:3) weitergeführt, die Niederösterreicher wurden wegen unsportlichen Benehmens mit einer Geldbuße von 1000 Schilling belegt.“

Kronenzeitung, 3.2.93

Abbruchpartie soll bei 3:3 fortgesetzt werden:
Waldegg protestiert gegen das Urteil der Staatsliga!

Die erste Entscheidung ist gefallen, die endgültige aber noch lange nicht! Der Tischtennis-Staatsliga-Ausschuß entschied nach eingehendem Studium von Videoaufzeichnungen, daß das abgebrochene Spiel zwischen Waldegg und Walkersdorf/Langenlois beim Stand von 3:3 fortgesetzt wird. Jetzt protestiert Linz!

„Wir sind an und für sich mit dem Urteil zufrieden, werden nichts unternehmen“, so Walkersdorf-Manager Dr. Erich Friedschroder, der jetzt einen langen Instanzenweg erwartet. „Mit dem Protest der Linzer muß sich der erweiterte Staatsliga-Ausschuß befassen. Und danach besteht noch die Möglichkeit, in die dritte Instanz, sprich engerer Vorstand des ÖTTV, zu gehen. Wir sehen der Sache gelassen entgegen. Denn für uns kann's nur besser werden.“

Wird die Partie bei 3:3 fortgesetzt, käme es noch zu den Spielen Ding Yi gegen Kovacs, Klampar - Bär, Amplatz - Seyr und Pobatschnig gegen Wimmer.

Geht unser TT-Traum endlich in Erfüllung?

Zum insgesamt fünftenmal und zum drittenmal in Serie steht das österreichische Tischtennis-Team im Finale der Europaliga. In den letzten beiden Jahren verwehrt Ungarn und England den ÖTTV-Asse den Aufstieg in die Superliga, Europas höchste Spielklasse. Heuer soll der Traum vom Sprung unter die Top-Teams gegen die Mannschaft der ehemaligen CSFR endlich in Erfüllung gehen. Das Heimspiel findet heute im burgenländischen Müllendorf (18) statt. Die Entscheidung fällt dann im Rückspiel am 6. März voraussichtlich in Ostrau. ÖTTV-Teamchef Jaroslav Stanek zur Ausgangslage: „Die Chancen stehen 50:50. Wollen wir einigermaßen zuversichtlich nach Ostrau fahren, müssen wir daheim aber mindestens einen 4:2-Sieg erreichen.“ Der Grundstein zum Aufstieg soll mit Hilfe der Fans gelegt werden. BTTV-Präsident Reinhard Engel – „Ich rechne mit einer

vollen Halle, also mit 600 Zuschauern“ – läßt Tribünen aufbauen, um allen Fans optimale Sicht zu bieten.

Die Bilanz seit 1962 spricht zwar gegen Österreich (2:11 Siege), aber das bisher letzte Duell beim European Nations Cup im Jänner in Karlsruhe konnten Ding Yi und Co mit 3:2 für sich entscheiden.

Stanek nominierte mit Ding Yi (Wolkersdorf/Langenlois), Quian Quianli (Kuchl), Werner Schlager, Karl Jindrak (beide Schwechat) und Martin Doppler (Oberndorf) jenen Kader, der mit fünf 4:0-Siegen ins Europaliga-Endspiel gestürmt war.

Die CSFR, in der letzten Weltmeisterschaft in Chiba Bronzemedailengewinner, tritt im Burgenland voraussichtlich mit Petr Korbel (Altena/D, 19. der Europarangliste) Tomas Janci (Baden, 21. ERL), Petr Javurek (Kassel/D, 42. ERL) und Roland Krmaschek (Lübeck) an.

Schmerzen im Handgelenk - Yi im Finale gehandicapt!

Alarm vor dem heutigen ersten Finalspiel der B-Europaliga zwischen Österreichs Tischtennis-Team und der Ex-CSFR in Müllendorf (Bgl)! Ding Yi klagt über Schmerzen im Gelenk seiner Schlaghand: „Immer bekomme ich diese dummen Entzündungen!“

„Dennoch stehen die Siegchancen 50:50“, sagt Ding Yi, für den ein knapper Sieg eine gute Ausgangsposition für das Rückspiel einen Monat später ist. Dort will Österreich dann – erstmals seit 20 Jahren – den Sprung in die höchste Spielklasse schaffen. In den beiden letzten Jahren hatten Ding Yi und Co. den Aufstieg nur

knapp gegen England und Ungarn verfehlt.

Neben Ding Yi spielen heute (18) der zuletzt überraschende Quian Quianli, Jindrak und Werner Schlager, der seine Grippe überwunden hat. Noch vor dem Match trainiert Österreich heute früh zwei Stunden – Sparringspartner ist Ex-Weltmeister Tibor Klampar.

Tischtennis-Europaligafinale: Ding Yi gegen Tschechien/Slowakei nicht in Hochform – 3:4

Noch ist nichts verloren

Die Gemeindehalle in Müllendorf stand im Brennpunkt des österreichischen Tischtennisgeschehens. Nach zwei vergeblichen Versuchen – 1991 gegen Ungarn, 1992 gegen England – nahm Österreichs TT-Nationalteam einen dritten Anlauf in Richtung Superdivision. Vor 600 begeisterten Zuschauern behielt das Team von Tschechien/Slowakei im ersten Europaligafinale mit 4:3 die Oberhand. Das Superdivisions-Ticket wird aber erst am 6. März beim Retourspiel in Ostrau verge-

ben.

Das fachkundige Tischtennis-Publikum in Müllendorf bildete einen idealen Rückhalt für die Österreicher. Selbst durch einen unerwarteten 0:2-Rückstand (Niederlagen für Ding Yi und Quian Quian Li) ließen sich die Fans nicht entmutigen. „Lokalmatador“ Werner Schlager wurde förmlich zu seinem 2:1-Satzerfolg gegen Petr Javurek getrieben (Sprechchöre „Jetzt geht's los“). „Das Publikum war phantastisch, ich würde mir bei allen Europaliga-Heimspielen eine solche Un-

terstützung wünschen“, erklärte Teamtrainer Jaroslav Stanek. Der 20jährige Werner Schlager, der sich die ersten Staatsliga-Sporen in Hornstein verdiente, war mit seinen Leistungen zufrieden. „Wenn ich in Ostrau daran anschließen kann, drehen wir den Spieß noch um.“ Trotz der knappen Niederlage war auch BTTV-Präsident Reinhard Engel mit der Veranstaltung in Müllendorf zufrieden.

Dämpfer für das ÖTTV-Team Ding Yi und Co. geschlagen

Österreichs Tischtennis-Team hat die Chance vertan, vor eigenem Publikum den Grundstein zum erstmaligen Aufstieg in die Superdivision der Männer-Europaliga zu legen. Ding Yi und Co. unterlagen am Samstag in Müllendorf (Burgenland) im ersten Finalspiel der ersten Division der CSFR-Auswahl nach vier Stunden mit 3:4 und müssen sich

Das Match gegen die zum vorletzten Mal mit einem gemeinsamen Team antretende CSFR begann vor fast 600 Zuschauern in der ausverkauften Sporthalle mit einer kalten Dusche für die Gastgeber. Ding Yi bezog gegen den beim TTC Baden engagierten Slowaken Tomas Janci nach einer 21:15-, 17:15-Führung nach 34 Minuten eine 1:2-Niederlage, anschließend ging Quian Quianli

gegen den Tschechen Petr Korbel sang- und klanglos 0:2 unter. Werner Schlager sorgte gegen Petr Javurek für den ersten ÖTTV-Punkt, scheiterte aber im Doppel gemeinsam mit dem unter Normalform spielenden Karl Jindrak mit 0:2 an Korbel/Javurek. Als Ding Yi mit dem 2:1-Erfolg über Korbel der Anschlußpunkt gelang, kam unter den Fans noch einmal Stimmung und Hoffnung auf-

Quianli steigerte sich enorm und fertigte Javurek 2:0 ab. Nun mußte das letzte Einzel die Entscheidung bringen. Schlager vergab aber die Chance gegen Janci im dritten Satz. Nach einem 3:12-Rückstand kam er nicht mehr heran und besiegelte damit die Niederlage der ÖTTV-Auswahl, die zuletzt beim Nationencup in Düsseldorf gegen den WM-Dritten mit 3:2 die Oberhand behalten hatte.

TT-Top-12 in Kopenhagen

Ding Yi gegen die Besten

Drei Weltmeister (Jörgen Persson/Sd, Chen Xinhua/Gb, Mikael Appelgren/Sd), ein Europameister (Jörg Roßkopf/D) und ein Vize-Europameister (Jean Michel Saive/Bel), das sind die hochkarätigen Gruppenegegner von Ding Yi beim heute in Kopenhagen beginnenden europäischen Tischtennis-Top-12-Turnier.

Im Vorjahr in Wien belegte der Wolkersdorfer Rang neun. Das ist auch heuer das Ziel des mehrfachen österreichischen

Staatsmeisters und Olympiafünftens: „Das Turnier ist unheimlich wichtig für mich. Dort gibt es nur sehr starke Gegner, aber einen oder zwei werde ich schon erwischen“, ist Ding Yi zuversichtlich.

Die Favorits der Veranstaltung spielen in der anderen Gruppe. Olympiasieger, Ex-Welt- und Europameister Jan Ove Waldner war zuletzt nahezu unschlagbar. Sein größter Gegner dürfte der Franzose Jean Philippe Gatien sein. Der beendete in Barcelona im Viertelfinale in einem Supermatch den Olympiatraum von Ding Yi und verlor dort erst im Endspiel. Gegen Jan Ove Waldner. *Kurier*, 12

Top 12: Yi wurde erst im Finish warm - 7.

Einen versöhnlichen Abschluß gab es am Samstagabend für Österreichs Tischtennis-As Ding Yi. Der 34-jährige Austro-Chinese schlug in seinem letzten Gruppenspiel des Europa-Top-12-Turnieres in Kopenhagen den dreifachen Ex-Europameister Mikael Appelgren aus Schweden mit 3:1 (-17, 17, 19, 14) und wurde nach der verletzungsbedingten Absage von Xinhua noch Gruppen-Vierter und Gesamt-Siebenter. Dieses Ergebnis war sogar besser als im Vorjahr in Wien, wo er zwei Siege auf dem Konto gehabt hatte und nur Neunter geworden war. Als Lohn für den siebenten Rang kassierte Ding 1250 Schweizer Franken, das sind etwa 10.000 Schilling.

Die Spiele von Ding Yi: gegen Jörg Roßkopf (D) 2:3 (-15, 20, 19, -18, -19); gegen Jean-Michel Saive (BEL) 1:3 (20, -13, 19, -20, -18); gegen Jörgen Persson (SWE) 1:3 (-17, -12, 17, -12); gegen Chen Xinhua (ENG) 2:3 (-18, 16, -22, 20, -16) und gegen Mikael Appelgren (SWE) 3:1 (-17, 17, 19, 14).
Top-12-Turnier, Semifinale: Jan-Ove Waldner (SWE) - Saive 3:1 (19, 17, -15, 19), Peter Karlsson (SWE) - Roßkopf (D) 3:0 (20, 7, 16); Finale: Waldner - Karlsson 3:0 (19, 14, 18).
Damens-Finale: Emilia Ciosu (ROM) - Olga Nemes (D) 3:0 (17, 18, 15).

NÖ. TISCHTENNIS LANDESVERBAND

Seinerzeit *Erinnern Sie sich noch !!*

Vor 60 Jahren:

In den letzten Tagen des Monats Januar 1933 begannen in der „Trink-Kurhalle“ des berühmten Kurortes Baden bei Wien die Spiele der 7. Tischtennis-Weltmeisterschaften. Die Titelfämpfe wurden vom heimischen „Athletik-Sportklub“ Baden fast allein ausgerichtet, denn der österreichische Verband leistete nur unbedeutende Hilfe. Gespielt wurde auf „Wilhelm-Schnof“-Tischen, und am Swathing-Cup nahmen elf Nationen teil.

Nach der großen Enttäuschung von Prag setzten die Ungarn alles daran, den Titel zurückzugewinnen. Selbstverständlich gälten sie als die großen Favoriten, und Mechlovits hatte es hervorragend verstanden, die Mannschaft vorzubereiten. Dennoch bereiteten ihnen die Tschechen auch diesmal außerordentliche Schwierigkeiten. Der überragende Kolar schlug nämlich alle drei Ungarn, Bama (2:1, 2:1), David (2:1) und Keien (2:1)! Da auch Svoboda gegen Keien 2:1 gewann, führten die Tschechen sogar 4:3, aber trotzdem hatten die Magyaren am Schluß das bessere Ende mit 5:4 für sich.

Interessant, daß der Weltmeister große finanzielle Schwierigkeiten hatte, überhaupt nach Baden zu kommen. Erst im letzten Augenblick „erwischten“ die Ungarn den Zug!

Spannende Begegnungen gab es im Überfließ. Den Jugoslawen gelang nicht die Revanche gegen Lettland für die kuriose Niederlage aus dem Vorjahr (3:5). Sie verloren auch gegen die Tschechen (2:5), Deutschland (1:5) - Maksimovic besiegt Nickelsburg, Hexner unterliegt Madjaroglu 19:21 im 3. Satz - und Ungarn 2:5, wobei Maksimovic überraschend Weltmeister Bama schlug (21:18, 15:21, 26:24), während Hexner über Boros zum Erfolg kam. Ein noch größerer Erfolg war jedoch das 5:2 über Österreich, aber gegen den Debutanten Frankreich ging bis 0:3 alles daneben. Dann rief man sich aber zusammen und gab keinen Punkt mehr ab. Hinzu kamen noch Siege über Indien (5:4) und Belgien (5:0) sowie eine 3:5-Niederlage gegen England. Das bedeutete ein solides, ausgeglichenes Verhältnis (5:5/36:36) und ein ausgezeichnetes sechster Platz.

Für die Deutschen brachte Baden eine gewisse Enttäuschung, denn Rang 7 war in jeder Hinsicht ein Rückschlag. Obwohl in der direkten Begegnung klar mit 5:1 bezwungen, blieben Madjaroglu, Deissler, Benthien, Nickelsburg und Schimmel in der Endabrechnung sogar noch hinter den Jugoslawen. Ausgezeichnete Leistungen bot vor allem Madjaroglu in den Spielen gegen Ungarn und die Tschechoslowakei. Dabei bezwang er Keien 21:2, 15:21, 22:20 und Kolar 21:9, 21:11. Am 5:1-Sieg über Frankreich waren Schimmel und Nickelsburg mit Erfolgen über den jungen talentierten Haguenauer beteiligt.

Mit Svoboda, Kolar, Grohauer und Kohn befanden sich noch vier Tschechen im Viertelfinale. Außerdem Bama und Glancz der Oesterreicher Kohn und Haydon (England). Planmäßig erreichten Kolar (3:0 gegen Haydon) und Titelverteidiger Bama (3:0 über Glancz) das Endspiel.

... 60 Jahre ist es her, daß im Februar 1933 in der „Trinkkurhalle“ zu Baden die 7. WELTMEISTERSCHAFTEN ausgetragen wurden. Damals dabei auch, der für den BADENERER AC spielende Erwin KOHN, der mit 12:6 Siegen wesentlich zum 3. Platz Österreichs beitrug; Liebster(12:5), Flußmann(8:7), Weiß(5:3) und Feher(3:4) ergänzten das österreichische Team.

Waldegger Protest: Kniefall vor Yi

In die zweite Instanz, zum „erweiterten Staatsliga-Ausschuß“ im ÖTTV, geht DSG Union Waldegg wegen der am Dienstag in Wien verfügten Neuaustragung des A-Liga-Matches Waldegg - Wolkersdorf/Langenlois ab dem Stande 3:3. Waldegg-Obmann Sepp Hasibeder: „Das Urteil ist ein Kniefall vor Ding Yi. Wir legen Protest ein. Yi hat unseren Slowenen Kovac unflätig beschimpft und beleidigt. Er hat nach mehreren Ermahnungen von Schiri Erich Traxler mit unmißverständlicher Gestik angedeutet, nicht mehr weiterspielen zu wollen. Was da von Wien aus bekannt geworden ist, ist nur die halbe Wahrheit. Wir haben Zeugen für das zur Disqualifikation des Austrochinesen führende demonstrative Verlassen der Spielbox.“ Als dritte Instanz würde der engere ÖTTV-Vorstand unanfechtbar entscheiden.

Schiedsrichter Traxler soll „beurlaubt“ werden

Die Turbulenzen um das Staatsliga-Spiel Waldegg Linz gegen Wolkersdorf/Langenlois ... Schiedsrichter Erich Traxler erklärte Linz nach dem Abtreten Ding Yi's zum Sieger - verstärken sich. Der engere Staatsliga-Ausschuß hat nicht nur - wie berichtet - entschieden, die Partie wegen eines Schiedsrichter-Irrtums ab dem Stand von 3:3 neuauszutragen, sondern auch eine Sperre von Traxler beschlossen. „Bei entsprechender Schulung soll ihm (Traxler) erst im Herbst 1993 wieder eine Chance gegeben werden“, heißt es im Protokoll. ÖÖTTV-Präsident Prok. Hans Friedinger bezeichnete diesen Entschluß als persönlichen Angriff gegen Traxler, den man nicht zur Kenntnis nehmen werde. Der oberösterreichische Verband formulierte gestern Abend ein Protestschreiben, das man demnächst an den ÖTTV senden wird.

Rangliste: Schlager überholte Ding Yi

Als Resultat eines für ihn erfolgreichen Jahres 1992 führt Werner Schlager erstmals die heimische Tischtennis-Rangliste an. Der 20jährige Wr. Neustädter, der im Vorjahr beide Top-12-Turniere gewonnen hat und hinter Ding Yi Vize-Staatsmeister wurde, übernahm mit 65 Punkten vor Ding Yi (58,5) und Quian Quianli (46) die Führung. Bei den Damen holte sich die 19jährige Petra Fichtinger die Top-Position von Michaela Zillner zurück.

Auch im Tischtennis ab Herbst eine Superliga

Ab Herbst gibt es auch im Tischtennis eine Superliga für Männer und Frauen. Das beschlossen die Vertreter von Österreich, Ungarn, Tschechien und der Slowakei am Wochenende in Preßburg. Die vier Verbände stellen je drei Mannschaften. Bei den Herren treten je vier Akteure an (Ergebnisse von 5:5 bis 10:0 möglich), bei den Damen drei Starterinnen, die im Europaliga-System (4:3 bis 7:0) spielen. Das Management übernimmt der ÖTTV (Reinhold Luckeneder). Die Auslosung erfolgt am 15. Juni im Wiener Haus des Sports.

Fichtinger nach Berlin? Auch Damen droht „Aus“

TISCHTENNIS. – Das Experiment, Damen- und Herren-Staatligaspiele zugleich in derselben Halle auszutragen, erwies sich als Erfolg: Oberndorf fegte über die Gegner hinweg, Gesamtscore 31:3! Bewegung im Transfermarkt bei den Damen: Petra Fichtinger hat ein Angebot aus Berlin!

HERREN: UTTC RAIKA OBERNDORF – WR. SPORTCLUB 9:1 (Harzi 2/0, Doppler 2/0, Schlagler 2/0, Divis 2/0, Doppel 1/1). – Herausragendes Ereignis des Abends war Martin Dopplers Sieg gegen den CSFR-Legionär Vimi, der Nummer 34 Europas!

UTTC RAIKA OBERNDORF – KOMPERDELL WIEN 10:0. – Nicht einmal kam ein Oberndorfer in Verlegenheit

DAMEN: UTTC RAIKA OBERNDORF – WR. SPORTCLUB 6:1

(Fichtinger 2/0, Kocova 2/0, Streif 1/1, Doppel 1/0). – Der Sportclub besteht aus Mutter Renate und ihren Töchtern Ariane und Marissa Burg, wobei einzig Nationalspielerin Ariane Erfolge verzeichnen konnte. Sie schlug Natascha Streif und machte Kocova das Leben schwer, verlor erst knapp im dritten Satz. Da Streif definitiv aufhören will, knüpfte Clubchef Sturmlechner Kontakte zu Ariane Burg, der derzeitigen

Nummer 2 in Österreich hinter Fichtinger. Sie zeigte sich nicht abgeneigt, in Oberndorf zu spielen. Andererseits hat Petra Fichtinger ein Angebot aus Berlin. Sturmlechner: „Wenn sie es sich verbessern kann, werden wir ihr nichts in den Weg legen. Dann wird aber sicher das Damenteam aufgelöst.“

Also doch mit den Herren weiter?

„Schwer zu sagen. Vielleicht hören wir dann überhaupt mit Staatsliga auf!“

UTTC RAIKA OBERNDORF – FLÖTZERSTEIG 6:1 (Fichtinger 2/0, Kocova 2/0, Streif 1/1, Doppel 1/0).

Verpatzter Auftakt im Oberen Play-off:

Kein einziger Punkt von Legionär Jiri Javurek!

TISCHTENNIS. – Totaler Fehlstart für die Stockerauer in dem Oberen Play-off – beide Auswärtsspiele gegen Linz und Kuchl gingen verloren. Ob es wohl beim Derby zuhause gegen Walkersdorf/Langenlois (30. Jänner, 17 Uhr) besser laufen wird?

In Linz setzte es mit 6:4 die erste Enttäuschung. Bester Mann der Stockerauer war Manfred Gsodam, der seine beiden Einzelspiele gewann. Die zwei weiteren Punkte holten Stani Fraczyk mit seinem Sieg gegen den Linzer Bär sowie Pöschl, der jedoch weit unter seiner vorwöchigen Form

agierte. Die zweite Niederlage im Auswärtsspiel gegen Kuchl fiel mit 7:3 noch deutlicher aus als die erste. Lediglich die Stockerauer Doppelspieler vermochten zu überzeugen. Besonders Gsodam zeigte eine wahre Weltklasseleistung, als er mit seinem Doppelpartner Javurek die Kuchler Quian Li und Kriston im dritten Satz mit 21:8 förmlich vom Tische schob. Obendrein lieferte er in seinem Einzelspiel den dritten Punkt für Stockerauer.

Wirklich negativ zu erwähnen ist nur, daß Legionär Jiri Javurek keine einzige Partie gewann – sowohl in Linz als auch in Kuchl ging er leer aus...

Jugendlicher Meister im Tischtennis

Wird er der Nachfolger von Ding Yi? Mit seinen jugendlichen zwölf Jahren läßt sich dies noch nicht abschätzen, zur Zeit ist aber Peter Haberleitner vom ASKO Hoheneich-Gmund eines der größten Tischtennis-Talente Österreichs. „Mein großes Vorbild ist aber ein Franzose, der Silbermedaalgewinner von Barcelona, Gattien, ebenfalls ein Linkshänder“, schwärmt Peter.

sium, wo er von seinem Klassenvorstand auch sportlich unterstützt wird. Was sind nun die sportlichen Ziele des führenden der NÖ. Rangliste? „Einmal in der Staatsliga spielen, wenn möglich in Oberndorf bei Melk“. Auch von seinem zukünftigen Berufsziel hat er klare Vorstellungen. „Lehrer in einer Schule mit Neigungsgruppe Tischtennis“, so der ASKO Landesmeister 1991, dessen Hobbys noch Basketball, Tennis und Eishockey sind.

Schon mit vier Jahren lernte er den Zelluloidball genauer kennen. Vater Gerhard, sowie auch der Opa waren schon bekannte Tischtennisgroßen. So trainierte er schon mit beiden, da sah er kaum über die Tischtennisplatte. Mit neun Jahren begannen die ersten Teilnahmen an verschiedenen Turnieren. Sein zweifellos bisher größter Erfolg war der Einzug unter die besten zwölf Spieler Österreichs beim Ranglistenturnier der Unterstufen in Innsbruck. Dafür heißt es hart trainieren. Vier- bis fünfmal in der Woche, einmal mit einem tschechischen Spitzentrainer, natürlich vom Vater bezahlt. Wie auch sonst seine Eltern Förderer und Sponsoren gleichzeitig sind. „Fast 5 20.000,- kostet uns der Spaß pro Jahr“, so die stolze Mutter. Lobenswert aber auch sein Lernerfolg im Gymna-

Talentprobe von Werner Schlagler, aber unterlegen

Nun sind Herren und Damen Staatsliga-Tabellenführer

Am 14. Februar gehts für die Damen Oberndorfs um den Titel

TISCHTENNIS. – Sowohl Oberndorfs Herren als auch die Damen gewannen in der Staatsliga klar, die Herren haben mit dem Kanter Sieg in Baden die Tabellenführung im Unteren Play Off übernommen.

DAMEN: UTTC RAIKA OBERNDORF – KOMPERDELL 6:1 (Kocova 2/0, Fichtinger 2/0, Streif 1/1, Doppel 1/0). – Die Gäste waren nur mit zwei Spielerinnen angetreten, da die CSFR-Legionärin Maserikova, Nummer 1 der österreichischen Rangliste, verletzt fehlte. Die Winerinnen nur Kanonenfutter.

UTTC RAIKA OBERNDORF – KORNEUBURG 6:2 (Fichtinger 2/0, Kocova 3/0, Streif 0/2,

Doppel 1/0). – Sowohl Miluse Kocova als auch Petra Fichtinger spielten sehr stark, demotiviert dagegen Natascha Streif.

Nach einer Woche Pause wird es am 14. Februar „haarg“: Fichtinger & Co treffen auswärts auf Schwachat, das Spiel, das die Entscheidung um den Titel bringen wird! Für Oberndorf genügt ein Remis...

HERREN: CASINO BADEN – UTTC RAIKA OBERNDORF 1:9 (Harzi 0/0, Doppler 1/1, Schlagler 2/0, Divis 2/0, Doppel 2/0). – 3 Spiele waren hart umkämpft. am spektakulärsten der Sieg Zolt Harczis gegen Thomas Janczi, die Nummer 21 Europas.

Alte Weisheit aus der Sportlerwelt: Man lebt nicht nur von Leistungen

TISCHTENNIS. – Sind sie höchstklassig, die Spiele, dann kommen die Leute. Sind sie „nur“ hochklassig, verirren sich nur die Funktionäre und nahen Verwandten der Akteure in die Sporthallen. Doch so klein der Ball, dem nachgejagt wird, so hoch können auch die Summen werden, die ein Verein braucht, um den Staatsligabetrieb aufrecht erhalten zu können. Eine halbe Million Cash, die ein Verein braucht, um eine Staatsliga-Saison zu überstehen, pfeifen die Spatzen von den Dächern und sonst noch einige Kleinigkeiten (Wohnung, Arbeitsplatz), die ein Spitzenspieler so braucht.

„Wenn du viel Geld hast, bist du vorne.“ Stockerauer-Obmann Peter Reysen bringt es auf einen einfachen Nenner. Nachdem in den letzten Jahren die niederösterreichischen Mannschaften immer ganz vorne in den Staatsligen zu finden waren, muß man davon ausgehen, daß nach der Reysenschen Formel die Sponsorquellen im blau-gelben Bundesland nur so sprudeln.

Beim UTTC Oberndorf sieht man das ganz anders. Clubchef Franz Sturmlechner: „Uns fehlen für die nächste Saison 300.000,- S.“ Eine mögliche Konsequenz dieses Defizits: Die Auflösung der Herren-Staatsligamannschaft, nur mehr mit den Damen will man in der obersten Spielklasse mitmachen. Das Problem: Rund zwei Drittel des Jahresbudgets geht auf das Konto der Spieler.

Auch bei den anderen Vereinen ist finanziell nicht alles eitel Wonne Sonnenschein, aber es geht gerade so. Reysen: „Wenn die Wirtschaftslage schlechter wird, sparen die Firmen natürlich zuerst beim Sponsoring. Ein Verein könnte immer mehr Geld brauchen. An Sponsoren kommt man nur heran, wenn man persönlichen Kontakt hat. Das ganze hängt an den Persönlichkeiten der einzelnen Vereine.“

Im Jahre 2 steht die Spielgemeinschaft Walkersdorf/Langenlois. Beide Vereine verfügen über einen Hauptsponsor. Elmar Menigat für Langenlois: „Leicht ist das Auftreten von Sponsoren nicht. Es ist eine Sache des Engagements. Prinzipiell muß man sagen, daß unsere Spieler nur Spensersatz bekommen.“ Wie aber ködert man dann Spitzenspieler, z.B. Erich Amplatz? „Wir haben Erich Amplatz bei der Arbeitssuche und bei dem Aufbau einer Existenz geholfen. Aber wenn es um das Zahlen von Prämien und dergleichen geht - da spielen wir nicht mit!“ Johann Friedschroder für Walkersdorf: „Wir haben finanziell keine Probleme. Wir haben viele Einzelsponsoren, auch Privatpersonen, die das Unterstützen unseres Vereins als Hobby betrachten.“ So bringt man auch den Superstar Ding Yi finanziell über die Runden.

Aber: „Um das Geld, um das ein Tischtennispieler ein ganzes Jahr spielt, würde ein Tennisspieler nicht einmal zu einem Turnier fahren.“

Gedanken

von Sonja Netik

Zwei Spieler versuchen mit einem kleinen Schläger einen noch kleineren Ball auf einem nicht gerade großen Spielfeld unter Kontrolle zu bringen und so zu platzieren, daß dies dem Gegner nicht mehr gelingt – das ist Tischtennis. Aber nicht nur das: Es wird nicht mit akrobatischen Einlagen, Ballgefühl der Spitzenspieler und körperlichen Einsatz gespart. Daß unsere Spieler auch international zu bewundern sind, liegt am Engagement und der Liebe zu diesem Sport einzelner Persönlichkeiten.

Hautnah miterlebt

Der durchschnittliche österreichische Sportkonsument kann dieser Art der körperlichen Betätigung nichts oder nur sehr wenig abgewinnen. Die große Masse der Sportfans glänzt durch Abwesenheit. Natürlich – um die wahre Kunst zu erkennen, muß man sich einmal die hohen Ballonverteilungen und die Pfeilschnellen Smashes anschauen. Vielleicht beim nächsten Staatsligaspiel in der „Sporthalle um's Eck“. Denn das Prickeln bei einem alle entscheidenden Ball bringt kein noch so guter Sportkanal durch die Röhre. Aber so eine Entscheidung live miterlebt bringt Gesprächsstoff für die nächsten langweiligen Sportübertragungen, die sicher kommen werden.

Erich Amplatz machte gegen Stockerau durch Sieg gegen Gsodam alles klar

Revanche mit 6:4 geglückt

TISCHTENNIS. – Die Revanche für die Niederlage in Stockerau im Grunddurchgang der Staatsliga A gelang der Mannschaft von Langenlois/Wolkersdorf am Samstag in der Langenloiser Sporthalle. Die Lenaustädter wurden 6:4 besiegt. Den entscheidenden Punkt mach-

te Routinier Erich Amplatz. Er behielt, nachdem er auch Junior Pöschl geschlagen hatte, gegen Gsodam im dritten Satz die Nerven und gewann 21:19. Ding Yi hatte mit Jiri Javurek und Stani Fraczyk keine Probleme, Tibor Klampar schlug zwar die Nummer

eins des Gegners, verlor dann allerdings überraschend gegen Fraczyk.

Die Spielgemeinschaft liegt nun an der dritten Tabellenposition, hat allerdings ein Spiel weniger als Leader Schwechat. Der Protest gegen die Schiedsrichterentschei-

dung im Spiel bei Waldegg Linz wird am Dienstag behandelt, weil der Schiedsrichter angehört wird. Obmann Dr. Eimar Menigat rechnet fest mit einer Neuaustragung, weil die Fernsehaufzeichnung für die Langenloiser spricht.

NÖN/Krems, 1.2.1993

Starke Leistung von Regina Ast!

TISCHTENNIS. – Schöner Erfolg für Regina Ast. Die für ATUS Miller Traismauer startende Nachwuchshoffnung holte sich beim Bundesqualifikationsturnier in Wien in überlegener Manier den Sieg im Jugend-B-

werb. Das Satzverhältnis von 12:1 unterstreicht die starke Vorstellung der Traismauerin, die sich damit für das Bundesranglistenturnier in OÖ qualifizieren konnte.

Casino-Inter-Cup

Vier ÖTTV-Clubs erreichten das Achtelfinale des Casino-Inter-Cups. Casino Baden, ASKÖ Komperdell Wien, BTTA und ASKÖ Attnag/Wolfsegg schafften den Aufstieg, die ÖTTV-Clubs müssen aber in der Runde der letzten 16 jeweils auswärts antreten.

TV Angersbach (BRD) – Casino Baden. – Eine lösbare Aufgabe für die Casino-Trippe.

Stockerau sorgt in der Staatsliga auch ohne Legionär aus Tschechien für Furore

Javureks Tage sind gezählt

TISCHTENNIS. – Legionär Jiri Javurek wurde im Frühjahr von Spiel zu Spiel schwächer. Zuletzt zog er es überhaupt vor, nicht mehr nach Stockerau zu kommen.

Die „Uniform“ des Mannes aus Nordtschechien erklärt Obmann Peter Reysen folgendermaßen: „Javurek kommt aus Ostrava nur zu den Spielen angereist. Wie intensiv er zuhause trainiert, können wir kaum überprüfen.“

Feststeht, daß Javurek nach dieser Saison nicht weiterverpflichtet wird. Reysen: „Wir werden auf keinen Fall mehr einen Ausländer holen, sondern einen starken Österreicher!“

Daß sich Javurek in der letzten Zeit stets über Rückenbeschwerden geklagt hat, war auch der Klubleitung bekannt: „Wenn er Schmerzen hat, muß er etwas unternehmen. Da er nur zu den Spielen kommt, hätte er sich in Ostrava behandeln lassen müssen.“

Auch im Europacupspiel gegen Sonthofen (BRD), das die Lenaustädter in zwei Wochen auswärts bestreiten, will man die Dienste

des Legionärs nicht mehr in Anspruch nehmen.

Reysen: „Javurek ist den Meisterschaftsspielen am Wochenende ohne Entschuldigung ferngeblieben. Das muß einfach Konsequenzen haben.“

Das 5:5 gegen Schwechat war nicht hoch genug einzuschätzen, da es mit nur drei Spielern gelang. In grandioser Form zeigte sich Richard Pöschl, der Nationalspieler Jindrak und den Ex-Stockerauer Zbigniew Fraczyk von der Platte schoß. Zusammen mit Stani Fraczyk wurde auch das Doppel Jindrak/Kokes besiegt.

Eine gelungene Revanche gab es gegen Polzei. Die Wiener hatten im Herbst bekanntlich die Siegesserie der Stockerauer brutal gestoppt. Beim 7:3-Erfolg gingen nur die drei W.o.-Partien des abwesenden Jiri Javurek an die Gäste.

Stani Fraczyk präsentierte sich in alter Form. Er ließ CSFR-Legionär Pytlík und auch Unterreiner keine Chance.

BERT BAUER

Javurek unter jeder Kritik!

TISCHTENNIS. – Im Viertelfinal-Derby in Langenlois blieb Stockeraus Legionär Jiri Javurek beim 4:6 wieder sieglos. Seine Tage in der Lenaustadt dürften gezählt sein.

Trotzdem wäre ein Remis möglich gewesen, hätte Gsodam beim Stand von 5:3 gegen Amplatz nicht den dritten Satz unglücklich 19:21 verloren.

Bester Stockerauer war Oldboy Stani Fraczyk, der überraschend Klampar in zwei Sätzen besiegte und Ding Yi einen Satz abnahm.

Zusammen mit Pöschl besiegte er auch das Doppel Amplatz/Klampar.

Durch die 4:6-Niederlage muß Stockerau um die Qualifikation für die Interliga mit den Nachbarstaaten bangen.

Top 12: Ding Yi auf Platz sieben

Den siebenten Platz erreichte Tischtennis-Spitzenmann Ding Yi beim Europa-Top-Zwölf-Turnier in Kopenhagen, hatte dabei aber einiges Pech.

Zwar gewann das Aushängeschild der Spielgemeinschaft Wolkersdorf/Langenlois gegen den Schweden Mikael Apelgren mit 3:1, die Niederlagen gegen Jörg Roskopf und den Belgier Jean-Michel Saive kamen aber jeweils erst im fünften Satz zustande. Gegen Xen Hua aus England und Jörgen Persson aus Schweden verlor Ding mit 1:3. Der Turniersieg ging an den Schweden Jan Ove Waldner.

Die knappe Niederlage Dings gegen den Düsseldorfler Roskopf – der Austro-Chinese hatte im fünften Satz sogar mit 10:3 geführt – berechtigt zu einigen Hoffnungen für die Europacupbegegnung der Spielgemeinschaft in Düsseldorf in vierzehn Tagen.

Drei feierten 150 Jahre Tischtennis

Vergangenen Freitag gab es für den TTC Stockerau wieder einmal Grund zum Feiern. Es wurde ein neuer Verein im Verein, der Klub der 150jährigen, aus der Taufe gehoben.

Anlaß: Hansi Steindl wurde sechzig, Peter Reysen fünfzig und Stani Fraczyk vierzig – zusammen also 150 Jahre.

Steindl ist nicht nur der älteste, sondern auch am längsten beim Verein. Das beweist seine Spielerpaßnummer 164, heute ist man bei etwa 11.000 angefangen.

Peter Reysen ist sein halbes bisheriges Leben lang Funktionär und erlebte den Aufstieg vom Landesligisten zum österreichischen Rekordmeister mit „Teambaby“ Stani Fraczyk spielt seit nunmehr 13 Jahren bei den Stockerauern und trug mit ebensoviele Meistertiteln maßgeblich zum Ansehen des Vereins bei. Aus der Mannschaft ist er noch nicht wegzudenken.

Matzens Damen auf Platz zwei

Schwarzes Wochenende für Staatsliga-Teams

Petra krank, Titel für Oberndorf verloren!

TISCHTENNIS. – Es ist verhext! Immer knapp vor dem großen Titelgewinn scheitern Oberndorfs Damen. Auch diesmal wieder: Petra Fichtinger erkrankt, Kocova und Streif fuhren alleine zum aussichtslosen Titelduell nach Schwechat.

DAMEN STAATSLIGA A: SVS SCHWECHAT – UTTC RAIKA OBERNDORF 6:1 (Kocova 1/1, Streif 0/2, Doppel 0/1, 2 Partien w. o.). – Kocova verlor diesmal gegen Kasalova, alles andere war nicht erwähnenswert. Damit dürften die Titelträume wieder einmal ausgeblüht sein, Oberndorf liegt nun einen Punkt hinter Schwechat.

HERREN STAATSLIGA A: EDEN WIEN – OBERNDORF

0:10. – Alles gewonnen, keine Probleme.

SONNI PLATRURN WIEN – OBERNDORF 4:6 (Harczi 2/0, Schlager 2/0, Divis 1/1, Doppel Harczi/Divis 1/0, drei Partien w. o.). – Das war ein Wochenende! Erst vergaben die Damen durch die Krankheit Fichtingers den Meistertitel, dann hatte Martin Doppler bei der Anreise nach Wien einen Autounfall und fiel für das Spiel aus. Melk, 16.2.
